

# EXCELLENCE

**The condition of being very good or outstanding.**

*I WILL show Excellence by:*

- 1. Trying my very best to get things right and be as good as I can be.*
- 2. Not just “going through the motions.”*
- 3. Behaving better than all my friends.*
- 4. Setting a great example for others who look up to me.*
- 5. Always keeping a positive attitude.*

“Whatever is true, honorable, just, pure, and right; Think about these things, which are excellent and worthy of praise.”
