

# COOPERATION

**Working together to get something done.**

***I WILL show Cooperation by:***

1. Sharing toys during playtime.
2. Helping clean up together after playing.
3. Working with others when things are too hard for them to do alone.
4. Listening to other kid's ideas and not demanding my own way.
5. Offering my help or asking if I may help.

Two are better than one, because they can help each other.

- Ecclesiastes 4:9
