

# ***DISCIPLINE***

**Following the rules to  
do what is right.**

***I WILL show Discipline by:***

1. Putting toys away after playing.
2. Waiting my turn when playing games.
3. Obeying my parents the first time.
4. Sticking to my bedtime routine every night.
5. Listening to, learning from and obeying those who want to help me.

A fool despises his father's  
instruction, but he who receives  
correction is prudent.
